Item 14: It is proposed that the fees to the Board of Directors be paid as follows for the period until the close of the next Annual General Meeting: the Chairman shall receive 1,710,000 SEK, the Deputy Chairman shall receive 810,000 SEK and the other Board members elected by the Meeting shall each receive 685,000 SEK. It is further proposed that the Board, as remuneration for committee work carried out, be allotted 250,000 SEK to the Chairmen of the Compensation Committee and the Audit Committee respectively and 125,000 SEK respectively to

the other members of these committees. It is proposed that members of the Board employed by the Swedish Match Group not receive any remuneration.

Item 15: The following Board members are proposed for re-election: Andrew Cripps, Karen Guerra, Conny Karlsson, Robert F. Sharpe, Meg Tivéus and Joakim Westh. The Nominating Committee proposes the election of Wenche Rolfsen as new member of the Board. Conny Karlsson is proposed to be re-elected as Chairman of the Board and Andrew Cripps is proposed to be re-elected as Deputy Chairman of the Board.

Item 16: The Nominating Committee proposes the number of Auditors shall be one with no Deputy Auditor.

Item 17: The Nominating Committee proposes that remuneration to the Auditor is to be paid against approved invoice.

Item 18: The Nominating Committee proposes re-election of the accounting firm KPMG AB, for the period as of the end of the Annual General Meeting 2013 until the end of the Annual General Meeting 2014.

The motions of the Board of Directors

Item 8: The Board of Directors proposes that a dividend be paid to the shareholders in the amount of 7.30 SEK per share and that the remaining profits be carried forward. The proposed record date for entitlement to receive a cash dividend is April 30, 2013. The dividend is expected to be paid through Euroclear Sweden AB, on May 6, 2013.

Item 10 a): The Board of Directors proposes a reduction in the Company's share capital of 7,563,406.16 SEK by means of the withdrawal of 4,000,000 shares in the Company. The shares in the Company proposed for withdrawal have been repurchased by the Company in accordance with the authorization granted by the General Meeting of the Company. The Board of Directors further proposes that the reduced amount be allocated to a fund to be used pursuant to a resolution adopted by the General Meeting.

Item 10 b): Provided that the Meeting passes a resolution in accordance with the Board's motion under item 10 a) above, the Board of Directors proposes an increase in the Company's share capital of 7,563,406.16 SEK through a transfer from non-restricted shareholders' equity to the share capital (bonus issue). The share capital shall be increased without issuing new shares. The reason for the bonus issue is that if the Company transfers an amount corresponding to the amount by which the share capital is reduced in accordance with the Board's motion under item 10 a) above, the resolution to reduce the share capital can be passed without obtaining the permission of the Swedish Companies Registration Office (Bolagsverket), or, in disputed cases, court permission.

The effect of the Board of Directors' motion under item 10 a) entails a reduction in the Company's share capital of 7,563,406.16 SEK. The effect of the Board of Directors' motion under item 10 b) is a corresponding increase in the Company's share capital through a bonus issue, thereby restoring it to its balance prior to the reduction.

The resolution of the Annual General Meeting in accordance with the Board's motion under item 10 a) is contingent upon it being supported by shareholders representing at least two-thirds of both the votes cast and the shares represented at the Meeting.

Item 11: The Board of Directors proposes that it be authorized to decide on the acquisition, on one or more occasions prior to the next Annual General Meeting, of a maximum of as many shares

as may be acquired without the Company's holding at any time exceeding 10 percent of all shares in the Company. The shares shall be acquired on NASDAQ OMX Stockholm at a price within the price interval registered at any given time, i.e. the interval between the highest bid price and the lowest selling price. The purpose of the repurchase is primarily to enable the Company's capital structure to be adjusted and to enable the Company to fulfill the obligations under the Company's option program. The resolution of the Annual General Meeting with regard to the Board motions under item 11 is contingent upon it being supported by shareholders representing at least two-thirds of both the votes cast and the shares represented at the Meeting.

Item 12: The Board of Directors proposes that the Annual General Meeting adopt principles for remuneration and other terms of employment for the President and other members of the Group management whereby remuneration and other terms of employment for the Group management shall correspond to market practise. In addition to the fixed salary, the members of the Group management may be entitled to variable salary. The variable salary may include both an annual short term program to be paid out in the beginning of the subsequent year depending on the outcome of the program, and a long term program with a performance period which shall not be shorter than three years. The variable salary, which shall be capped in relation to the fixed salary, shall primarily be based on specific, clear, predetermined and measurable financial or operational criteria and may include an obligation to purchase and hold shares in the Company. The principles are unchanged compared to the principles adopted by the Annual General Meeting 2012. Full details on the proposed principles and their application on 2013 variable salary are available on the Company's website www.swedishmatch.com.
