

The Board of Directors' proposal under item 20 on the Agenda of the Annual General Meeting of Swedish Match AB (publ) on April 9, 2019

The Board of Directors proposes it be authorized to, for the period until the end of the next Annual General Meeting, to issue new ordinary shares on one or more occasions, with or without deviation from shareholders' preferential rights and against payment in cash, in kind or by set-off.

The number of shares that may be issued may not exceed a maximum dilution effect of 10 percent of the share capital and votes at the time of the Annual General Meeting 2019. The reasons for the authorization and deviation from shareholders' preferential rights are that the Board wishes to increase the Company's financial flexibility and to allow the Company to issue common shares as payment in connection with acquisitions the Company might make. The subscription price shall be determined according to prevailing market conditions at the time the shares are issued.

The resolution of the Annual General Meeting with regard to the Board's proposal under item 20 requires the support of shareholders representing at least two thirds of both the votes cast and the shares represented at the Meeting.
