remuneration within brackets). Item 18: The auditor company KMPG AB is proposed to be re-elected as auditor for the period as of the end of the Annual General Meeting 2014 until the end of the Annual General Meeting 2015.

The Proposals of the Board of Directors

Item 8: The Board of Directors proposes a dividend in the amount of 7.30 SEK per share to be paid to the shareholders and that the remaining profits are carried forward. The proposed record day for the right to receive a cash dividend is May 12, 2014. Payment through Euroclear Sweden AB is expected to be made on May 15, 2014.

Item 10 a): The Board of Directors proposes to reduce the Company's share capital of 2,892,441 SEK by means of withdrawal of 1,500,000 shares in the Company. The shares in the Company proposed for withdrawal have been repurchased by the Company in accordance with authorization granted by the General Meeting. The Board of Directors further proposes that the reduced amount be allocated to a fund to be used pursuant to a resolution adopted by the General Meeting.

Item 10 b): Provided that the Meeting has passed a resolution in accordance with the Board's proposal in item 10 a) above, the Board of Directors proposes an increase in the Company's share capital by 2,892,441 SEK through a transfer from non-restricted shareholders' equity to the share capital (bonus issue). The share capital shall be increased without issuing any new shares. The reason for the bonus issue is that if the Company transfers an amount to the share capital corresponding to the amount by which the share capital is reduced in accordance with the Board's

proposal in item 10 a) above, the resolution to reduce the share capital may be passed without obtaining permission from the Swedish Companies Registration Office (*Bolagsverket*), or, in disputed cases, the court.

The effect of the Board of Directors' proposal in item 10 a) is a reduction of the Company's share capital of 2,892,441 SEK. The effect of the Board of Directors' proposal in item 10 b) is a corresponding increase of the Company's share capital through a bonus issue, thereby restoring it to its balance prior to the reduction.

The resolution of the Annual General Meeting in accordance with the Board's proposal in item 10 a) is only valid if supported by shareholders representing at least two-thirds of both the votes cast and the shares represented at the Meeting.

Item 11: The Board of Directors proposes that it be authorized to resolve on acquisition of the Company's own shares, on one or several occasions prior to the next Annual General Meeting, provided that the Company's holding does not at any time exceed 10 percent of all shares in the Company. The shares shall be acquired on NASDAQ OMX Stockholm at a price within the price interval registered at any given time, i.e. the interval between the highest bid price and the lowest selling price. The purpose of the repurchasing right is primarily to enable the Company to adapt its capital structure to its capital needs over time, and thereby contribute to an increased shareholder value, and to enable the Company to fulfill its obligations under the Company's option program.

The resolution of the Annual General Meeting with regard to the Board's proposal under item 11 requires the support of shareholders representing at least two-thirds of both the votes cast and the shares represented at the Meeting.

Item 12: The Board of Directors proposes that the 2014 Annual General Meeting adopts principles for remuneration and other terms of employment for members of executive management according to the following. Remuneration and other terms of employment shall correspond to market practice. In addition to the fixed salary, the members of the executive management may be entitled to variable remuneration. The variable remuneration may include an annual short term program to be paid out in the beginning of the following year, depending on the outcome of the program, and a long term program with a performance period which shall not be shorter than three years. The variable remuneration, which shall be capped in relation to the fixed salary, shall primarily be based on specific, clear, predetermined and measurable financial or operational objectives. The variable remuneration may include an obligation to purchase and hold shares in the Company. The proposed principles are unchanged compared to the principles adopted by the 2013 Annual General Meeting. Full details on the proposed principles for remuneration and other terms of employment for the executive management and its application in 2014 are available on the Company's website www.swedishmatch.com.
